¹ Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2021 was 24% and was 13% in 2022.

To obtain a list of employment positions determined to be within the field of this program, please visit <https://www.phoenix.edu/career-services/explorer.html#4> or speak to your advisor.
